## About Us

### OROSZLAN NIGERIA LIMITED

Oroszlan Nigeria Limited is a duly registered Nigerian private company incorporated on 19th April 2024. The company was established to provide reliable and professional services across diverse sectors, with a strong focus on general contracting, construction, import and export, general procurement, transportation and haulage, petrochemical products, merchandise supply, distribution and marketing.

We are committed to building a reputable and sustainable business that delivers quality products and dependable services to individuals, businesses, government institutions and other organizations. Through our diverse areas of operation, we seek to create value for our clients and business partners by providing efficient, timely and cost-effective solutions.

Our construction and general contracting activities cover the construction, maintenance, improvement and development of buildings, houses and other structures. We also engage in transportation and haulage services for goods and materials, supporting efficient movement and distribution across relevant locations.

As an importer and exporter, Oroszlan Nigeria Limited is positioned to facilitate the movement of goods and services local and international markets. The company also engages in the sale and export of petrochemical products, subject to applicable laws, regulations and industry requirements.

In addition, we operate in general procurement, marketing and distribution, serving as a manufacturer's representative and providing merchandise, supplies and general goods to meet the needs of our clients. Our approach is built around professionalism, integrity, efficiency, quality service and long-term business relationships.

### Our Business Focus

- General Contracting and Construction
- Building Construction, Maintenance and Development
- Import and Export
- Sale and Export of Petrochemical Products
- General Procurement
- Manufacturer's Representation
